

BUSINESS ESSENTIALS: AMWAY ID

Amway ID is the new personal identification for all IBOs and Customers. It is unique to each person so they are in total control of their own security. **It will connect IBOs to the Amway website and apps** like the ones built for the BodyKey™ SmartLoss™ System, the Atmosphere Sky™ Air Purifier, and other Amway applications used internationally.

All IBOs will need to create their own Amway ID and link it to their existing business(es). If two or more people are on the same business, they will each need their own Amway ID.

TO CREATE YOUR AMWAY ID

1 Sign In

Each current IBO will need to create their own Amway ID. To get started, go to the Amway website, select **“SIGN IN”** and then select **“CREATE AN AMWAY ID”**.

No extra steps!

If you previously created a Connect ID for Amway product apps (for example, Atmosphere Sky™ or BodyKey™), it will automatically transition to an Amway ID.
